

# Peace Lutheran Preschool & Pre-K

We are a Christian based preschool that focuses on the developmental needs of each child.

We strive to provide them with skills to develop and strengthen their social emotional skills as well as incorporating academic and faith based learning.

Curriculums and approaches to teaching/learning used include: The Waldorf approach, The Bank Street approach/developmental-interaction approach and the SD Early Learning Guidelines. We are play based and focus on learning through hands on, explorative learning where children will have a well-rounded learning experience. There are a total of 3 teachers and each class will work together in a large group as well as breaking down into smaller groups.

## Preschool:
